COLD WEATHER FLEECE MASKS

Soft, Reversible Fleece For Cold Weather

Breathe Healthy® Masks have been providing washable, reusable respiratory protection since 2006. We use an advanced fabric designed to be worn against the skin that wicks away moisture. This fabric also utilizes the proven Aegis antimicrobial treatment. Our masks are trusted and time tested, comfortable, long lasting, and made in the USA.

◆ Treated with AEGIS Microbe Shield®

- ✓ Non-allergenic
- ✓ Proven hospital safe
- ✓ Permanent, even with repeated washings

◆ Hi-Tech Hydrophobic, Hydrophilic materials

- ✓ Wicks moisture away while filtering the air

◆ Lab Tested – Effective down to 1.0 Microns

PROVIDES ADDED PROTECTION FOR:

Dust	Pollen	Travel
Dander	Allergies	Woodworking
Mold	Asthma	Lawn Mowing
